-

Installation

Step 1 – Install the Chrome Extension

1. Open Google Chrome.
2. Go to: `chrome://extensions`
3. Enable **Developer Mode** (top-right corner).
4. Click **Load unpacked** (left corner).
5. Select the “**Nova**” folder.
6. The extension should now appear in Chrome.
7. (Optional) Pin the extension to your toolbar for easier access.

Setup is complete.

Activating Your License

1. Click the Nova extension icon.
2. Enter your license key exactly as provided.
3. Click **Activate**.

If activation is successful, the extension will display: “Active”

Using Nova

Step 1

Open Google Chrome.

Step 2

Visit: <https://hiring.amazon.ca/search/warehouse-jobs>

Step 3

Log in to your Amazon account.

Step 4

Keep the jobs page open.

The extension will automatically begin monitoring available jobs.

When a matching opportunity appears, Nova will automatically continue the application process.

Polling Status

The extension displays its current polling status on bottom left corner when on amazon hiring site.

Examples: Nova #248

If polling is active, the extension is running normally.

Best Practices

- Keep Chrome open while using Nova.
 - Stay logged into your Amazon account.
 - Avoid manually refreshing the page while Nova is running.
 - Do not install multiple copies of Nova using the same license.
 - Keep Chrome updated to the latest version.
-

Troubleshooting

License activation failed

Possible causes:

- Incorrect license key
- Internet connection issue
- License expired
- Device limit reached

If the problem continues, contact support.

Extension shows "Paused"

This usually means:

- Amazon session expired
- You were logged out
- Authentication needs to be refreshed

Simply log into Amazon again and press **Re-check**.

Extension is not running

1. Open: chrome://extensions
 2. Verify Nova is enabled.
 3. Click **Reload** if necessary.
 4. Refresh the Amazon Jobs page.
